UnWaste Event Set for January 14

Residents invited to drop off recyclables at Park and Ride

With a new year comes the opportunity to de-clutter and what better way to do it than the next UnWaste recycling event? The Town of Danville sponsors periodic recycling drop-off events, where residents can bring their unused items to the Danville Park & Ride, located near the intersection of Sycamore Valley Road and Camino Ramon.

At the January 14, 2017 event, residents can bring used electronics, as well as household items and other furnishings, such as books, to drop off between 9:00 a.m. – 3:00 p.m. Items do NOT have to be in good working order to be dropped off.

Most items are free to recycle, however larger appliances such as freezers, refrigerators and water heaters have a \$40 fee, smaller appliances have a \$20 fee and microwave ovens can be dropped off for a \$5 fee.
