Water Features to Open April 1 Amenities at Hap Magee/Sycamore Valley parks set to open

The Town of Danville's younger residents will have more fun at two of the Town's parks, starting this weekend as the water play features at Hap Magee Ranch Park and Sycamore Valley Park will resume operation on April 1, 2017.

Maintenance Services Superintendent Dave Casteel said that the user-activated features will resume normal use. The features will run from 12:00 p.m. to 6:00 p.m. weekdays and 10:00 a.m. to 6:00 p.m. on weekends. Features will close during inclement weather.

Barring any restrictions on water usage, the water features should remain on the normal schedule and close for the winter moratorium on October 1, 2017.
