Celebrating the Jazz Room's Two Year Anniversary with a 'Cast Party' Fun and funny open mic experience set for January 18

As part of the celebration of two year's appearing at The Village Theatre & Art Gallery, the Jazz Room is bringing a raucous evening of musical entertainment to Danville on January 18, 2019.

Imagine a karaoke night with a charismatic host and fantastic piano accompaniment and you get Jim Caruso's Cast Party, a NY-based show coming to the East Bay for the very first time.

For the anniversary show, legendary showman Jim Caruso brings this hilarious impromptu open mic variety show from New York to Danville to provide an evening of music, comedy and unexpected fun. This evening soiree features a dazzling blend of songs, styles, and genres, as well as a surprise guest or two. And it is audience participation as well, so any residents wanting to showcase their golden voice can sign up to get on stage and sing.

From Broadway to jazz standards, accompanist Billy Stritch is ready to provide an upbeat and unique experience for the performers and audiences. To participate, email host Jim Caruso caruso212@aol.com in order to sign up. On the evening of the performance, be sure to bring sheet music for the musical accompaniment.

Show is set for 8:00 p.m. January 18, 2019, at the Village Theatre & Art Gallery, 233 Front St.
