

Teen Center Movie Day Permission Slip

Dear Parents,

Once a week, in our teen center program we have a movie day. We are requesting permission for your child to watch PG-13 rated movies. These movies are previously reviewed by the staff and will not contain sexually explicit scenes. The language is limited to things you might see on TV. If you give permission for your child to watch such movies please sign below and return. Thank you very much.

Sincerely,
Teen Center Staff
