Open Studios Set for May 5 & 6 Town of Danville sponsors tour of local artists' spaces

The community is invited to spend the weekend touring the creative spaces of several working artists, as the Town of Danville sponsors a two-day Artists' Open Studios event.

This FREE event is set for May 5-6, 2018. From 11:00 a.m. – 6:00 p.m. each day, the public will be able to visit artists' studios throughout Danville, view their work, and purchase pieces.

“Danville is a town focused on the arts, and Open Studios will be a great addition,” said Recreation, Arts and Community Services Director Henry Perezalonso. “We appreciate the efforts of the Arts Commission to bring this event back to the community.”

Headquarters for the event will be the Village Theatre & Art Gallery, 233 Front Street. Members of the public will be able to view the artists' work and obtain maps that will indicate the studios they can visit all over Danville. This is a self-guided tour which interested community members can conduct at their own pace. A minimum of 12 artists studios will be open to the public. Their locations will be clearly indicated on the maps provided at the gallery as well as by signs prominently displayed outside each location.
