

*"Small Town Atmosphere
Outstanding Quality of Life"*

Town COVID-19 Update: 4.7.20

Basics of Wearing a Face Mask Covering

The following should NOT wear a face mask:

1. Children under the age of 2
2. A person having difficulty breathing
3. A person who is unconscious, incapacitated or unable to remove the mask

Cloth face coverings should:

1. Fit snugly but comfortably against the side of the face
2. Be secured with ties or ear loops
3. Include multiple layers of fabric
4. Allow for breathing without restriction
5. Be able to be laundered and machine dried without damage or change of shape

More information and resources on face masks can be found at www.danville.ca.gov/coronavirus.

Parks Remain Open – Facilities Closed

We have received questions and concerns that the Town's parks are currently closed as a result of the coronavirus. To clarify, amenities and facilities at the parks (playground, basketball/tennis courts, picnic areas, restrooms, and drinking fountains) are closed. But the green spaces remain open for use for families to play together, run, hike, bike or walk.

Please remember when out at our parks or our trails to follow the rules: Maintain the 6 feet social distance, keep dogs on leash, and pack out any items you take into the parks, especially your pet's waste.
