

Angelo Palmeri

Portrait of Montgomery Ernest Thomas Kaluhiokalani

Oil and Paint on Linen

24" x 30"

\$600.00

I'm an artist from the San Francisco Bay Area. I also spent many years living in Brazil where I hold dual citizenship. During my time in Brazil I made my living painting people's portraits. Over the course of many years of making portraits I developed a keen ability to paint people's likenesses. My work is inspired by old master painters such as Caravaggio and Albrecht Dürer.
