FAKE NEWS: GREAT MASTERS ADVOCATE FOR ENDANGERED SPECIES

Hiring the *Great Masters of Art* to illustrate the dire circumstance of a possible 6th mass extinction has been challenging. They have been out of work for quite some time, and none have a computer or cell phone, let alone a website. So, I have had to fake it, knowing in my heart that a true Renaissance man or woman would jump at the chance to advocate for endangered species of the human era!
