

Auggie's A-Corner

HELLO, AND WELCOME TO

AUGGIE'S A-CORNER!

This page is all about Auggie the Acorn, the Recreation, Arts & Community Services mascot. Visit this page every issue to see what Auggie is up to this season.

ACTIVITES & GAMES

Auggie loves to learn new things and play games that really put his mind to the test.

Look for a new activity and game handpicked by Auggie in every issue of the Acitivity Guide.

Test your skills and have fun!

RECYCLED EGG CARTON ACORN ORNAMENTS

This fall craft is very easy to make and it uses recycled materials!

SUPPLIES

- Brown Ribbon
- Egg Carton
- Paint(Your choice of colors)
- Scissors and glue

STEPS

1. Cut and fit two pieces of egg carton together together to make them look like acorns. Fold the nut part so it fits inside the cap.
2. Take the acorn pieces apart to paint them the color of your choice.
3. Poke a hole in the top of the caps and thread the ribbon through. Secure the ribbon to the top of the cap with glue.
4. Gently tuck the nuts back into the caps. Feel free to trim the nuts so they fold to become narrower than the caps.
5. Fit the caps back on the acorn bottoms and hang.
